Dear Slim one of all
Emer N. J.

Well tonight is Friday
so I thought I would scratch
a few lines.

I am well & hope it

I am working on a farm
now. I started to work Monday.

I'm getting \$40.00 a month

I went in to Bridgeport
with the show. I stayed

there a couple of days. So I

thought I would take a peep

of New York but it was to

big for Willie. I then took

the electric train that goes

here one hundred ^{##} acres is the
biggest. This place sold for
\$15,000 the other day. The rent
is half on any thing you
plant.

The season opened or
rabbits here so all I have
heard this week was trail
hounds a bawler. I sure would
like to get a couple of good
ones but all they know
around here is trail rabbits.

well I guess this is all

I can think of tonight so

will close

wite soon
